

Tuningi

SAFARI LODGE

MADIKWE GAME RESERVE

*There is this
wonderful place...*

Set in the rolling hills of the 75 000 hectare malaria-free
'Big 5' Madikwe Game Reserve.

Tuningi offers a five-star African safari which is enhanced by
personalised service in a friendly and relaxed environment.

Cosy Comforts

Tuningi accommodates 16 guests in four Luxury and two Family Suites, each with two suites plus an adjoining lounge, kitchenette and dining area, with breathtaking views from private wrap-around decks.

En-suite bedrooms have luxurious amenities and are air-conditioned, with ceiling fans and gas fireplaces for added comfort. Large bathrooms have a fireplace, double baths and basins and an outdoor rock shower.

Family Safaris

Without compromising on luxury, Tuningi has not forgotten the specific needs of families and caters for children of all ages. The Family Suites are not only perfect for families looking for extra space, but offer all the same comforts and finishes of the Luxury Suites. They are made-up of two en-suite double bedrooms, and are joined by a dining area, kitchenette and a living room with an expansive timber deck from where the surrounding beauty can be appreciated. Exciting and stimulating children's activities make this a perfect family escape.

Relax and Indulge

The main thatched Lodge building features beautiful indoor and outdoor lounges, an elegant dining room and magnificent rim-flow pool overlooking a waterhole where you can indulge in the sights and sounds from just a few feet away. Or retreat to the hide where you can experience amazing close-up views of the animals drinking at the waterhole.

A sweeping wooden deck links areas and leads to a boma under an ancient fig tree – perfect for outdoor dining around a log fire. Enjoy fine cuisine and a selection of top wines in our intimate dining room or under the stars.

An Exclusive Safari Experience

Tuningi's highly qualified game rangers create passion in guests for the environment and wildlife, with safaris in 4x4 open-air game viewing vehicles. Lion, elephant, buffalo, white and black rhino, leopard, as well as the rare and endangered wild dog provide unique sightings to look forward to.

Exciting and stimulating children's activities include: treasure hunts; waterhole track identification; game drives; T-shirt painting and clay building competitions – making Tuningi the perfect, whole family escape.

Rejuvenating spa treatments can be enjoyed in the privacy of your suite overlooking the bush.

Weddings at Tuningi are defined by careful attention to detail, service and co-ordination, creating a stylish yet relaxed event in a unique setting.
